- ⋮
- ☐ ...
- ☐ ...

UPDATE TIME DATA

Detailed description: This diagram shows a rectangular box containing a list of error messages. At the top is a header box labeled 'A LIST OF ERRORS'. Below it are five rows, each consisting of a small square checkbox followed by a text box. The first row has an empty checkbox and the text 'THERE IS NO AUDIO OUTPUT'. The second row has an empty checkbox and the text 'A KEY OPERATION IS NOT PERFORMED'. The third row has a checked checkbox (containing a 'V') and the text 'THE CLOCK IS INACCURATE(SLOW/FAST)'. The fourth row has a vertical ellipsis '⋮'. The fifth row has an empty checkbox and three dots '...'. The sixth row has an empty checkbox and three dots '...'. To the right of the box, an arrow points from the third row to the text 'UPDATE TIME DATA'.
